Workshop Description: In this workshop you will learn the basics of matting and framing for gallery exhibition. We will discuss framing options and acceptable matting and glazing. We will cover multiple mounting techniques including floating.

The emphasis will be on mat cutting. You will learn how to cut mats on a variety of mat cutters and we will discuss ones you might consider purchasing for home use.

We will show the secret to perfectly aligned double mats and how to create multiple opening mats for diptychs and triptychs.

With limited enrollment there will be plenty of time for hands-on practice.
